

Preventive Worksite Screening

Get healthier in 2015!

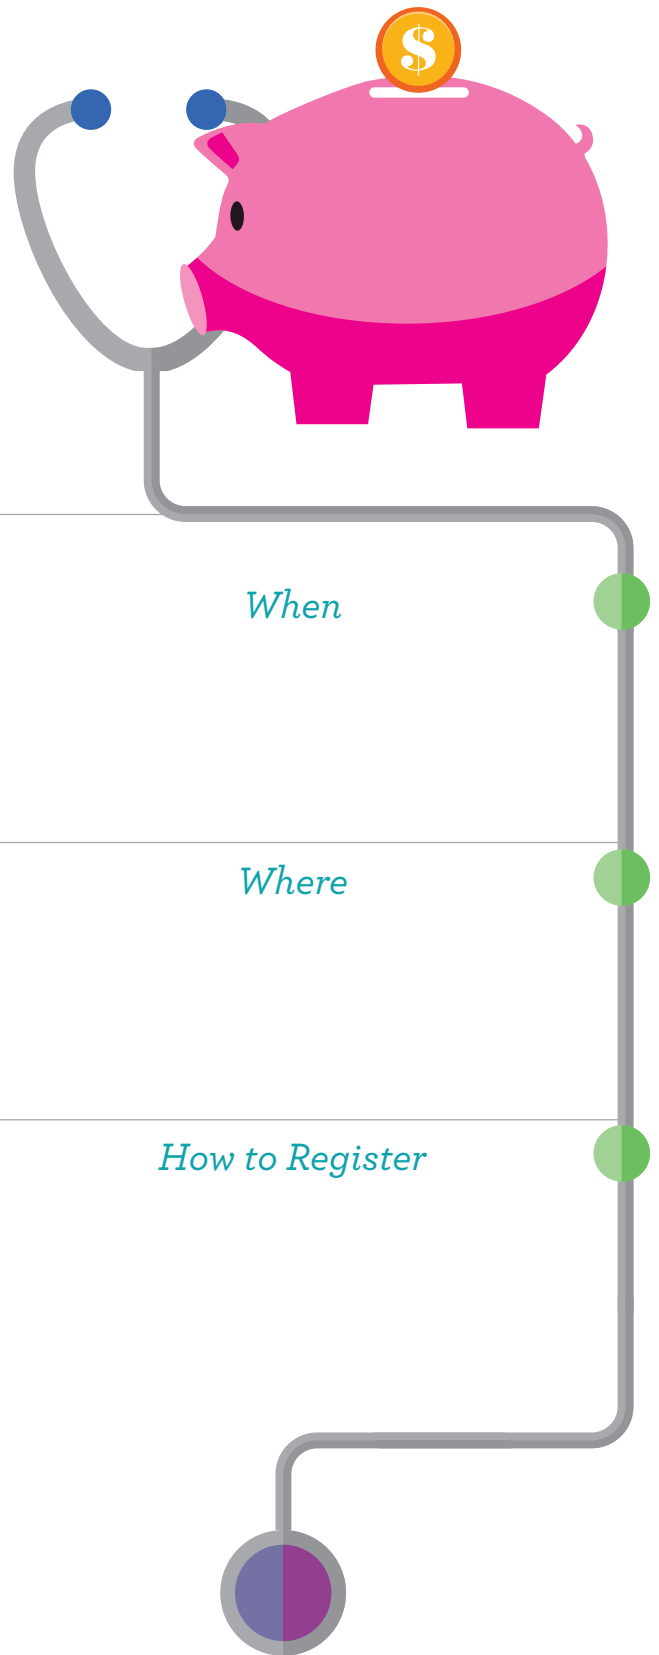

Employees like you are our most valuable asset. That makes your health and well-being very important to us. We want to help you get healthy and stay healthy.

You're invited to a free Preventive Worksite Screening worth more than \$300. The screening includes a blood pressure check, health risk assessment, lipid panels and more. You can share your confidential results with your doctor. Eliminating the need for retesting with your doctor and identifying health issues early can really save you money. **So register today.**

Employees, retirees, COBRA subscribers and covered spouses whose primary coverage is the State Health Plan can take advantage of this screening.

FREE IN '15

PEBA is helping you — and your family — get and stay healthy in 2015. We are doing this by offering several free benefits. Learn more about other Free in '15 benefits at www.eip.sc.gov/wellness.
